## PRINCIPAL

My best wishes to the departing seniors who have now reached the pinnacle of their public school experience and very shortly will assume the obligations of adulthood. To meet these obligations, you have received a scholastic preparation second to none. It is up to you to use it to the best advantage in whatever endeavor you choose to follow. All of life can be considered a learning process. Your high school days are the foundation upon which you will continue to build as you advance towards your personal goal.

Success is gauged in many different ways, depending upon the aspirations and ambitions of the person concerned. To help in some small way to improve the welfare of his fellow man will make anyone a success. This is certainly not a perfect world you graduate to, but there are abundant opportunities to make it a better one. Face up to the opportunities, accept them. Consider it your duty, not an optional choice. This will require courage and character, but the fact that you have completed the requirements is evidence that you are familiar with these qualities.

Those of us at Lockport Senior High School who have watched you grow and mature during the past few years have confidence in your potential to succeed and will be watching your progress with great anticipation.

Mr. Sullivan

# SENIOR PRIDE

# CLASS OF 1982

As a class, we found that together we are better. We united to become one.

In its senior year, the Class of '82 showed tremendous unity with its participation in the school's Homecoming Activities. This enthusiasm was carried on by the class with active participation in the Blood Mobile and the Magazine and Canned-food Drives.

Much of our success was due to the hard work of the class officers: President, Ron Franco; Vice-president, Karen Ryan; Secretary, Laurie Secord; and Treasurer, Beth Fitzsimmons.

Together we held the 27th annual Christmas Dance entitled Winter Paradise. We also held our annual Valentine Flower Sale, Volleyball Tournament, Class T-shirt Sale, and many other spirited activities. The Senior Prom proved to be very beautiful and memorable to all of us.

With the hope of making our class the most successful class ever, we worked with excitement on such important formalities as Class Night, Baccalaureate and, of course, our last step — GRADUATION!!!

Row 1: Karen Ryan. Row 2: Beth Fitzsimmons, Miss DiMillo (Adviser), Ron Franco, Laurie Secord.

## The Happiest Times

*The happiest times are together times,  
like times when there's fun to be had,  
and one laugh just leads to another,  
until you just never had it so glad!  
The happiest times are together times,  
like times when there's work to be done,  
and people just feel good to be doing their part,  
of a job that's too big for just one.  
The happiest times are together times,  
like times when there's love to be shared,  
and one heart is warmed by the beautiful sunshine,  
of knowing another heart cared!*

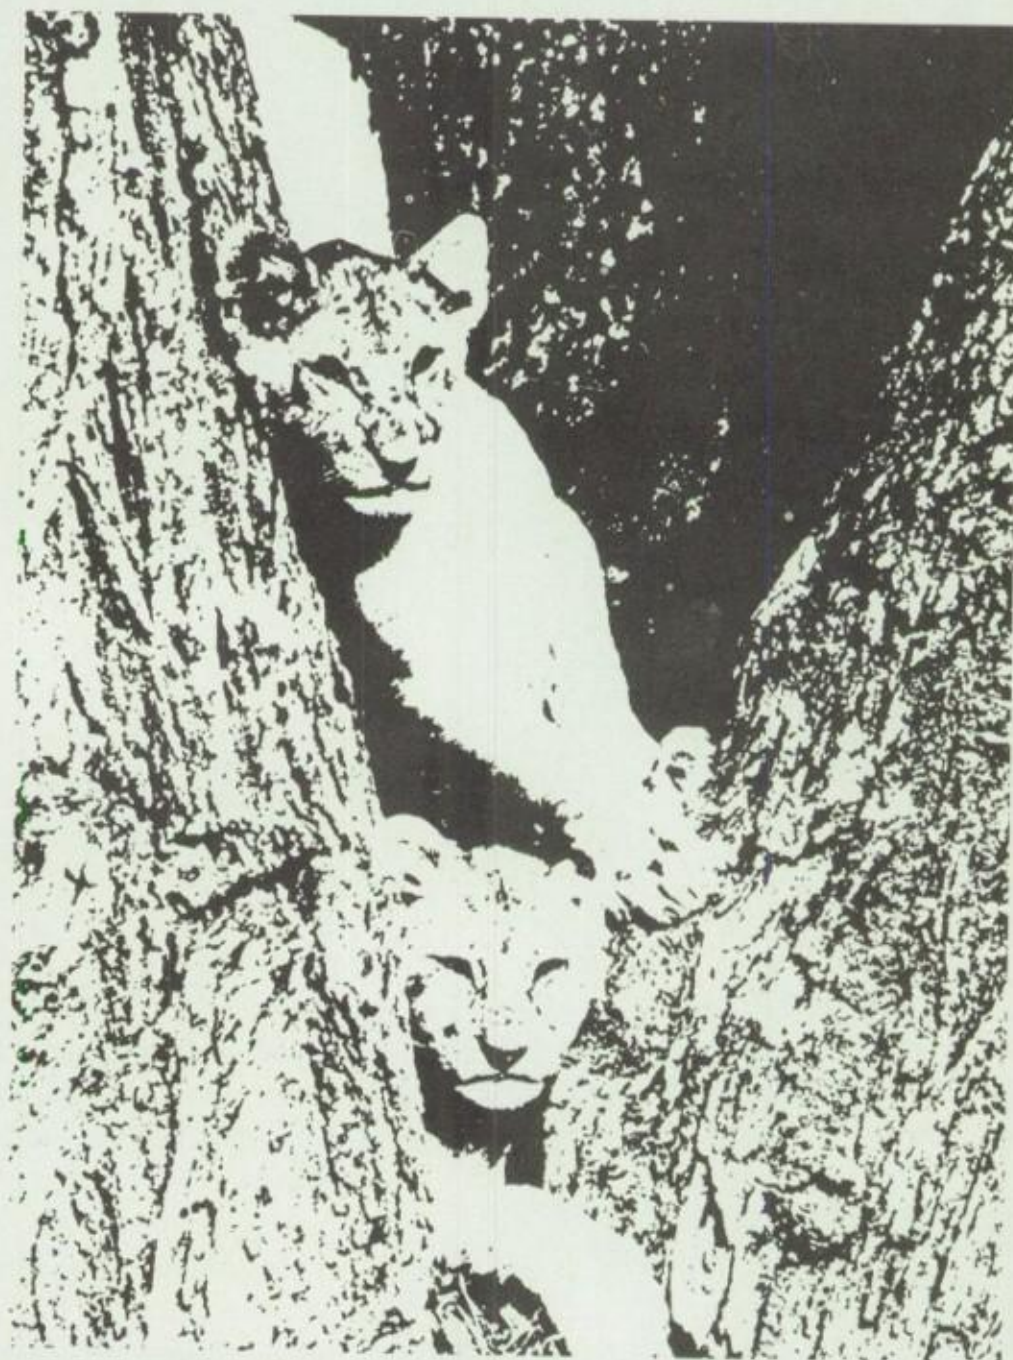

*Your friends say they'll keep in touch, but you know they won't. Your teachers say come back and see them, and you know you won't. Maybe someday it won't matter, but, right now, it hurts a little.*

The Class of 1983 will always be remembered for its undying spirit and enthusiasm.

This year's Juniors earned a well-deserved first place in both the Homecoming Float and Hall Decoration Contests. What's more, this cooperative class outshone its competition in the Magazine Drive, being the only class to bring in 100 percent of its quota!

Nevertheless, the Juniors never tired. They sold candy canes at Christmas to raise money for the Valentine's Dance, and a Faculty Show was planned for the spring of 1982. Needless to say, the Juniors were admirably represented at all the school functions and sports events throughout the year.

As Sophomores, we were a bit apprehensive of getting our feet wet, but as Juniors, we were ready to plunge into the mainstream of activities.

The Sophomore Class of 1984 was the largest class in the high school. The class worked very hard on the homecoming activities and constructed a very impressive float. After much hard work on the Magazine Drive, the class experienced its first disappointment as it fell short of its goal.

The sophomores rebounded with an excellent showing in the Canned-food Drive. The year's fund-raisers also displayed a vital unification as our new successes were realized.

The Class of '84 furnished much of the support given to the activities around the school. Included were victory symbols used during the sports seasons and activity programs.

The future holds bright moments for the Class of '84.

Lockport's *It's Academic* team won this year with a total of 500 points. It completely dominated competition, and the score placed it in a tie for third place among all Western New York schools in the *It's Academic* competition.

This year's team, advised by Mrs. Niparts, included Greg Bronson, Captain Kathy Misch, and Tom Fiegl.

Our team placed second in the semi-finals and has the distinction of being the only team in Lockport's history to make it to the semi-final competition. Congratulations are extended to each member of the team for their fine effort.

This year's team, advised by Mrs. Niparts, included Greg Bronson, Captain Kathy Misch, and Tom Fiegl.

## MAGAZINE DRIVE

This year's magazine drive was not as profitable as last year's drive, but we sold 31,293 dollars worth of magazines, approximately 4,000 dollars off of last year's total. Before the drive started, the quota for the school of \$35,000 was set. Only one class, the juniors, was able to make its quota, leading the school with 11,858 dollars.

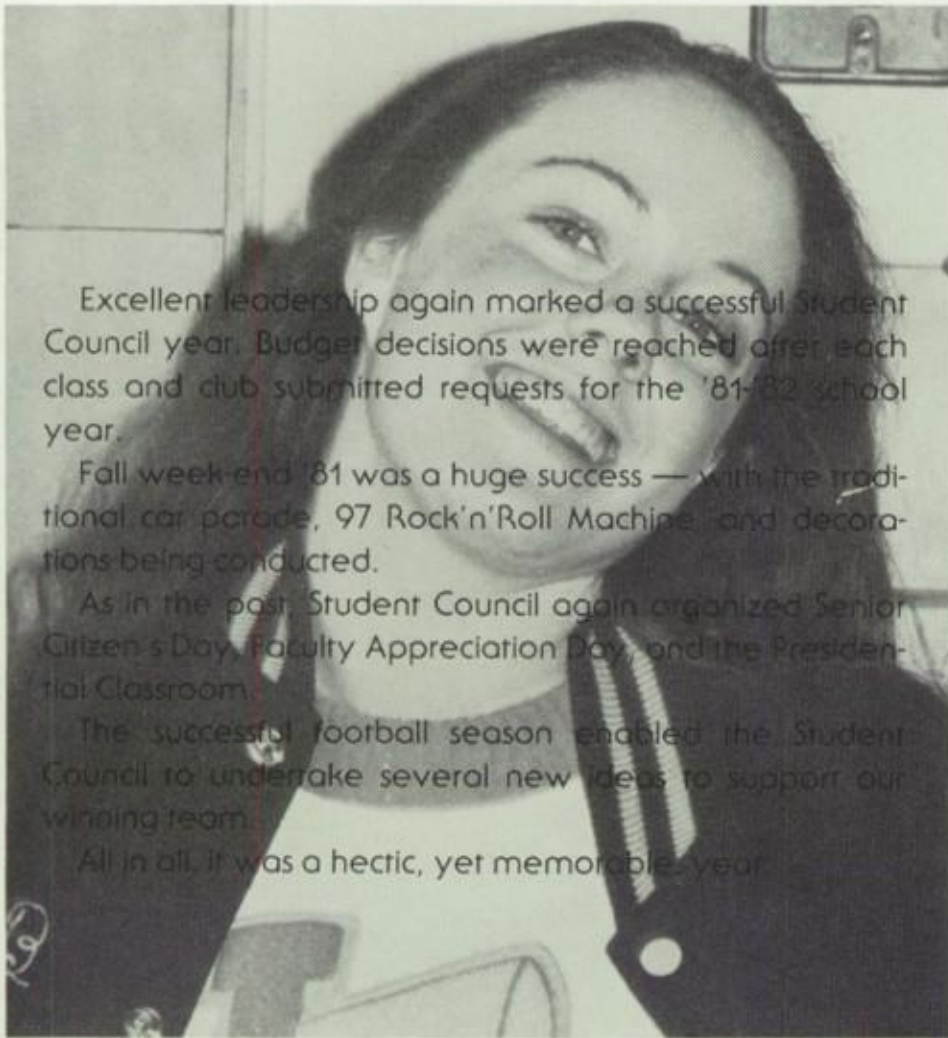

The Senior Class did not break its quota this year, but it did set a school record by having a higher three-year total than any other previous class. High salesman for the drive was junior Emily Storrs. This year's fund-raiser was directed by Miss Ann Tzitzis and Mr. Wayne Ginty.

# STUDENT COUNCIL

Excellent leadership again marked a successful Student Council year. Budget decisions were reached after each class and club submitted requests for the '81-'82 school year.

Fall week-end '81 was a huge success — with the traditional car parade, 97 Rock'n'Roll Machine, and decorations being conducted.

As in the past, Student Council again organized Senior Citizen's Day, Faculty Appreciation Day, and the Presidential Classroom.

The successful football season enabled the Student Council to undertake several new ideas to support our winning team.

All in all, it was a hectic, yet memorable year.

## EXCHANGE STUDENTS

Hi! My name is Andrés Arayas and I am from Chile. This is my second visit to the U.S.A. In my first visit I went to New York City, Washington D.C., Miami Beach, and the Bahamas. I have met many beautiful people at this school and I have had a nice school year with them. I enjoyed the AFS Halloween party a lot and my first Christmas with snow because the month of December is summertime in my country.

The city that I come from is called "The End of the Earth" because it is the most southern point in the world, but in winter we have a lot of snow, same as here. I do a lot of skiing and was a member of the Ski Club here.

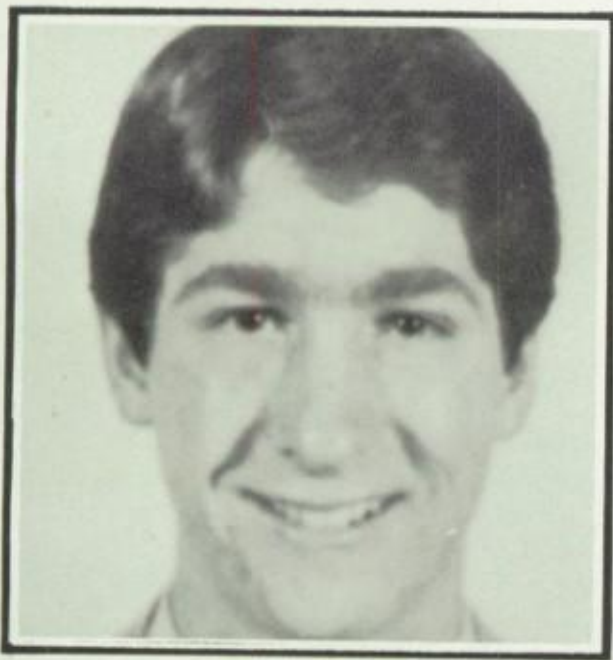

I would like to thank all the people that helped me during my stay here and I hope to come back some day to see them again.

Mark O'Byrne

Thanks to the American Field Service, I spent one year (January '81 — January '82) in Adelaide, South Australia. Adelaide is a very unique city because, although it is large (approximately one million people), it does not have the problems associated with large cities. It is very clean, with no run down slum sections, and it has many parks and recreation areas. I found that we, as Americans, have no comprehension of what Australia is like. The cultures of the two countries are similar, but there are some outstanding differences.

It was a rewarding year. I learned about the Australian way of life — from kangaroos to cricket. I also learned a lot about myself. I thank AFS for giving me the opportunity to have that experience.

Karen Ryan

On June 22, 1981 I left my familiar Lockport surroundings to take on a new environment and new experiences. I spent my summer in Megrine Coteaux, Tunisia — part of Northern Africa. I was a member of the Lassoued family which consisted of six sisters and one brother, including my 18 year-old host sister, Sofia. There are many differences from my American life that I had to get accustomed to — like the Arabic language, fasting during the Islamic religious holiday Yamazan, and 110° — 115° weather. The highpoints of my two-month stay were visiting the Roman ruins in Carthage, my numerous trips to the Mediterranean beach and my older sister's wedding. It was a marvelous summer and I hope to return to Tunisia in the future.

Solange Sufan

Hello! My name is Solange, but everybody calls me "Gigi". I am from Angol in Chile. There I have a brother who is sixteen and a sister who is eighteen. I have had so many new experiences in Lockport and there are so many things that I think I will never forget.

My first time was hard, but I was able to adjust to this different life system. While here, I stayed with the family of Mr. and Mrs. John Hartmann.

I joined the Interfaith group where I helped to make peanut brittle. I liked Lockport, the Pizza Hut, McDonald's, and Ponderosa, too.

The year of 1981-82 was a spirited one for the L.S.H.S. Band under the direction of Mr. Jerome J. Sadlo.

Something new to the band this year was its division into the Symphonic and Concert Bands. Both groups diligently rehearsed for and performed a number of successful concerts throughout the year. These included the Winter Concert, Bandrasia, A.F.S. Concert, Pops Concert, Spring Concert and Graduation rehearsal and exercises.

The Lion's Marching Band highlighted the half-time shows during a victorious football season, climaxed by a spirited performance by the Pep Band at Rich Stadium. Also, on schedule for the Marching Band was the Memorial Day Parade. The Christmas season brought the band out to the Lockport Mall to wake Santa, decorate a tree, and to entertain the community with carols throughout the season. Busy performing in the community and at school assemblies were the band's several ensembles and two Dixieland Bands. The Stage Band held the spotlight at a fund-raising dance sponsored by the L.S.H.S. Band. This past year several fund raisers were held, beginning with a candy bar sale during the summer. Following this successful drive was the Magazine Drive, a jewelry sale, Tag Day, and another candy sale.

Due to ticket sales, community support and hard work from members, the band was able to enjoy a trip to represent Lockport in competitions and round out the year with an Awards Banquet. Audiences and members agree that the past year has once again been successful and spirited for the L.S.H.S. Band.

# LATIN CLUB

Latin Club increased its membership significantly for the second year in a row, largely due to improved recruiting methods — "Hey buddy, I'll give you 10 bucks if you take Latin." The group did seem to have a more rowdy atmosphere and could have given Baccus and his friends a run for their money. The officers, Dave Koplas as President, and Jon Creasy as Treasurer, besides staging a *Coup d'etat*, planned with Magister Begley's guidance, the annual Christmas carol binge and Toga Grub Fest, along with the spring field trip and a few "bachanalias" to generate enthusiasm. It proved to be a unique, learning, and fun experience — Optime!

This year, officers of the International Language Club were: President, Krista Nelson; Vice-President, Karen Anderson; Treasurer, Corinne Luindquist; Secretary, Michelle Scarcia; and a total of thirty-four members. The club held a skating party and planned several "mini-trips" to various restaurants, to learn about and to appreciate the cuisine of various cultures. ## GIRLS' STATE

The purpose of Girls' State is to teach good citizenship and to show the individual how important she is to our democratic system. At Empire Girls' State 1981 at Keuka College, N.Y., over 300 girls including myself were taught our duties and responsibilities to our government.

A replica of New York State's governmental system was produced, including party caucuses, campaigns, speeches, rallies, and elections. I was appointed by our "Nationalist" party leader as an assemblyman. After all elections and appointments, the bodies we created actually legislated and passed some bills that were signed by our Empire Girls' State governor.

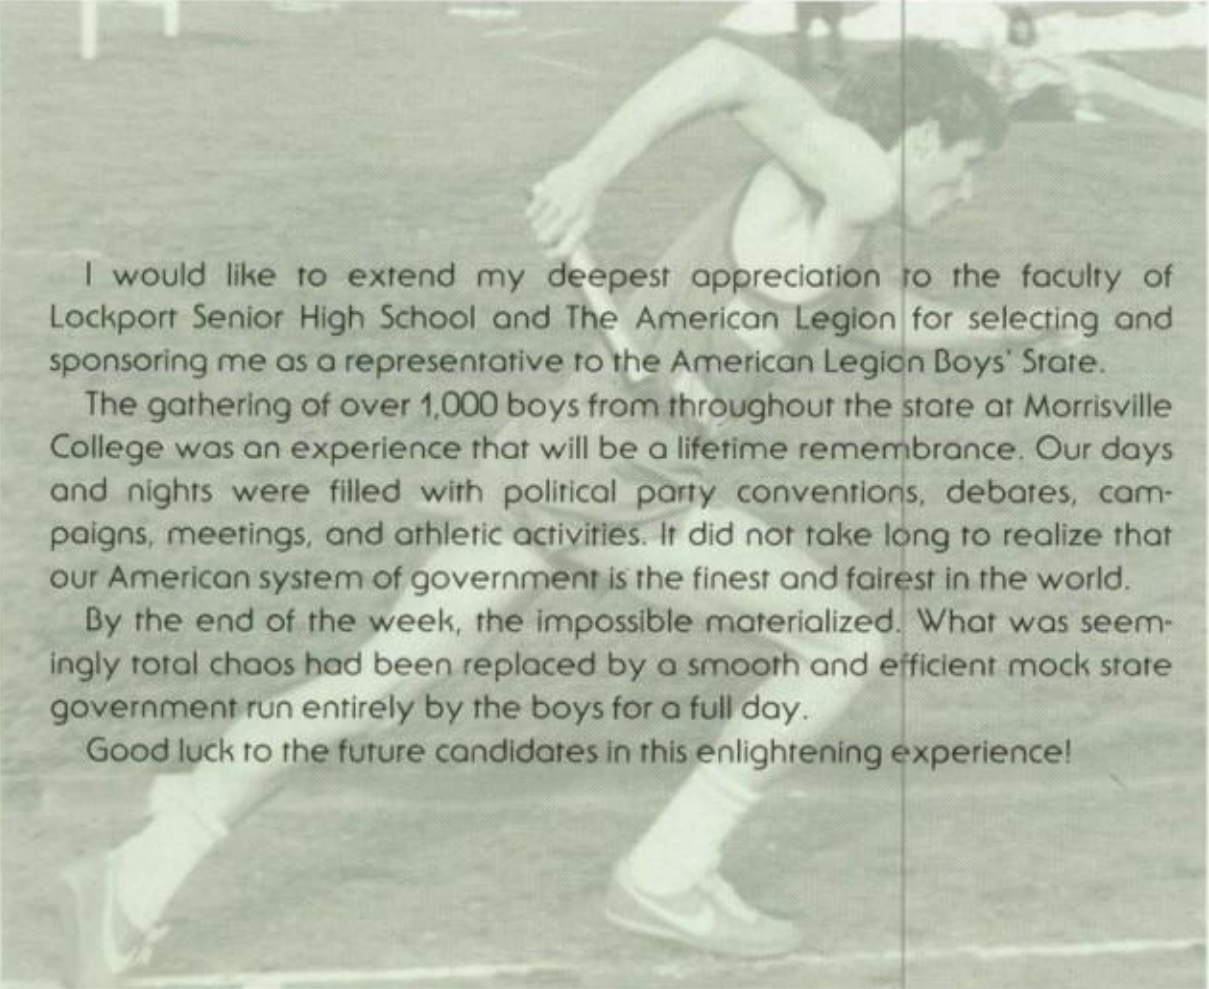

The week contained many activities and many new friendships; at the end of the week, it was very hard to say good-bye to everyone.

It is almost impossible to put Girls' State into a few words adequately. More than anything, I would like to extend my thanks and appreciation to the Lockport American Legion Women's Auxiliary for sponsoring me and to the Lockport faculty for originally nominating me for such a great honor.

Kathy Misch

## BOYS' STATE

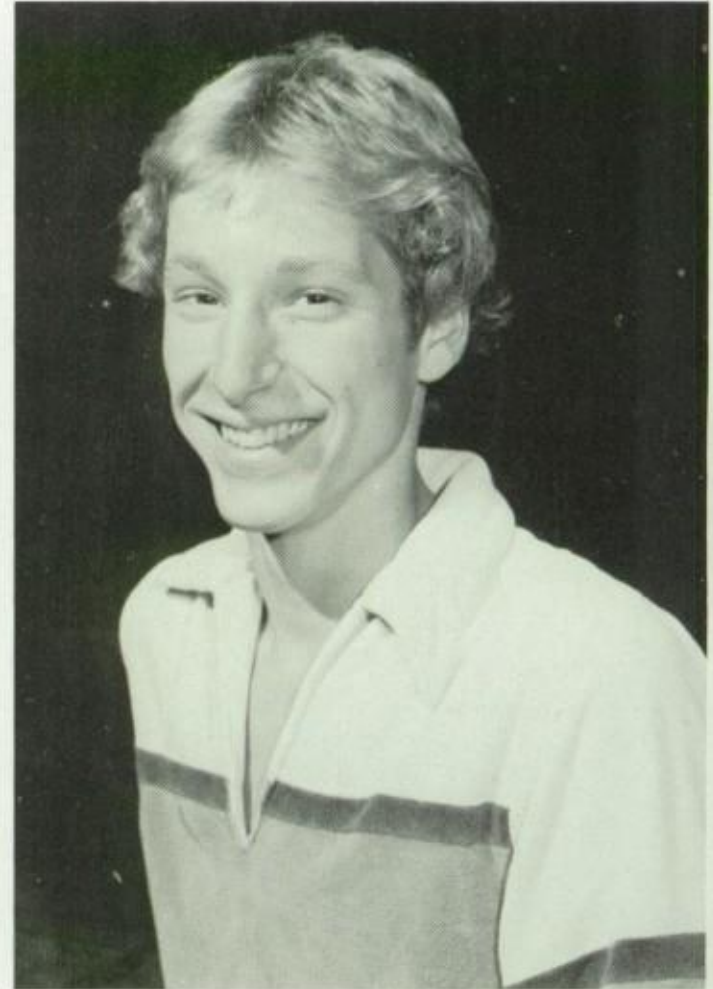

I would like to extend my deepest appreciation to the faculty of Lockport Senior High School and The American Legion for selecting and sponsoring me as a representative to the American Legion Boys' State.

The gathering of over 1,000 boys from throughout the state at Morrisville College was an experience that will be a lifetime remembrance. Our days and nights were filled with political party conventions, debates, campaigns, meetings, and athletic activities. It did not take long to realize that our American system of government is the finest and fairest in the world.

By the end of the week, the impossible materialized. What was seemingly total chaos had been replaced by a smooth and efficient mock state government run entirely by the boys for a full day.

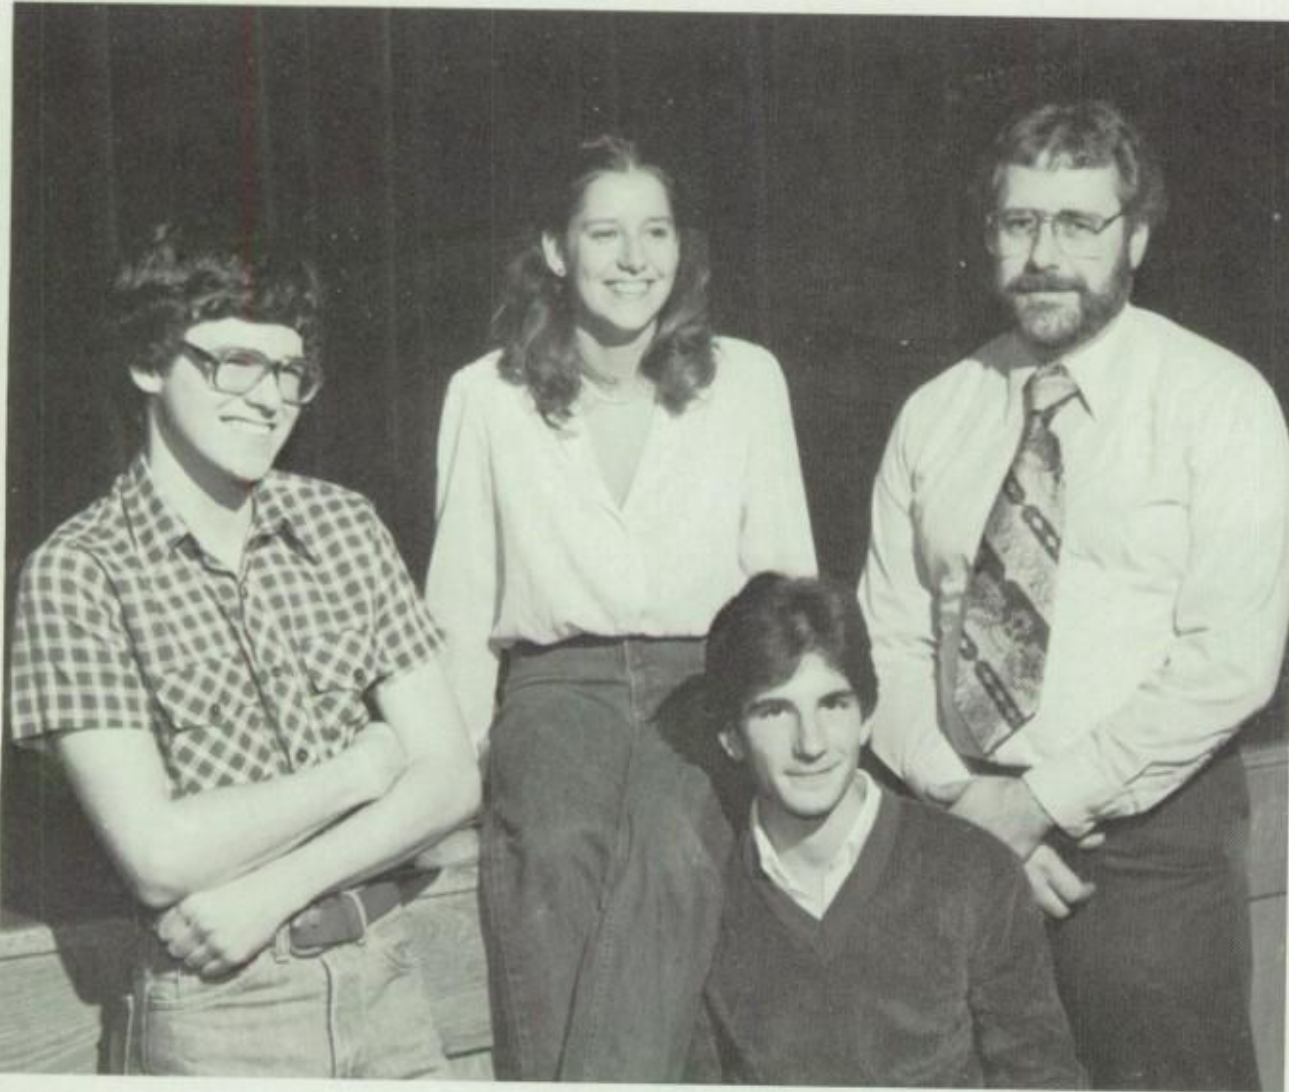

Good luck to the future candidates in this enlightening experience!

Dan DiMaggio

# NIAGARA COUNTY INTERNSHIP PROGRAM

The Intern Program is an educational program which is designed to provide high school students with an opportunity to learn about and participate in the local (county) governing process. The program also provides an opportunity for the student to develop the ability to recognize alternatives and make choices, thereby encouraging participation in a democratic society.

Students participating in the program are assigned, as interns, to a county legislator and are required to attend legislative sessions, seminars, legislative committee meetings, and public hearings.

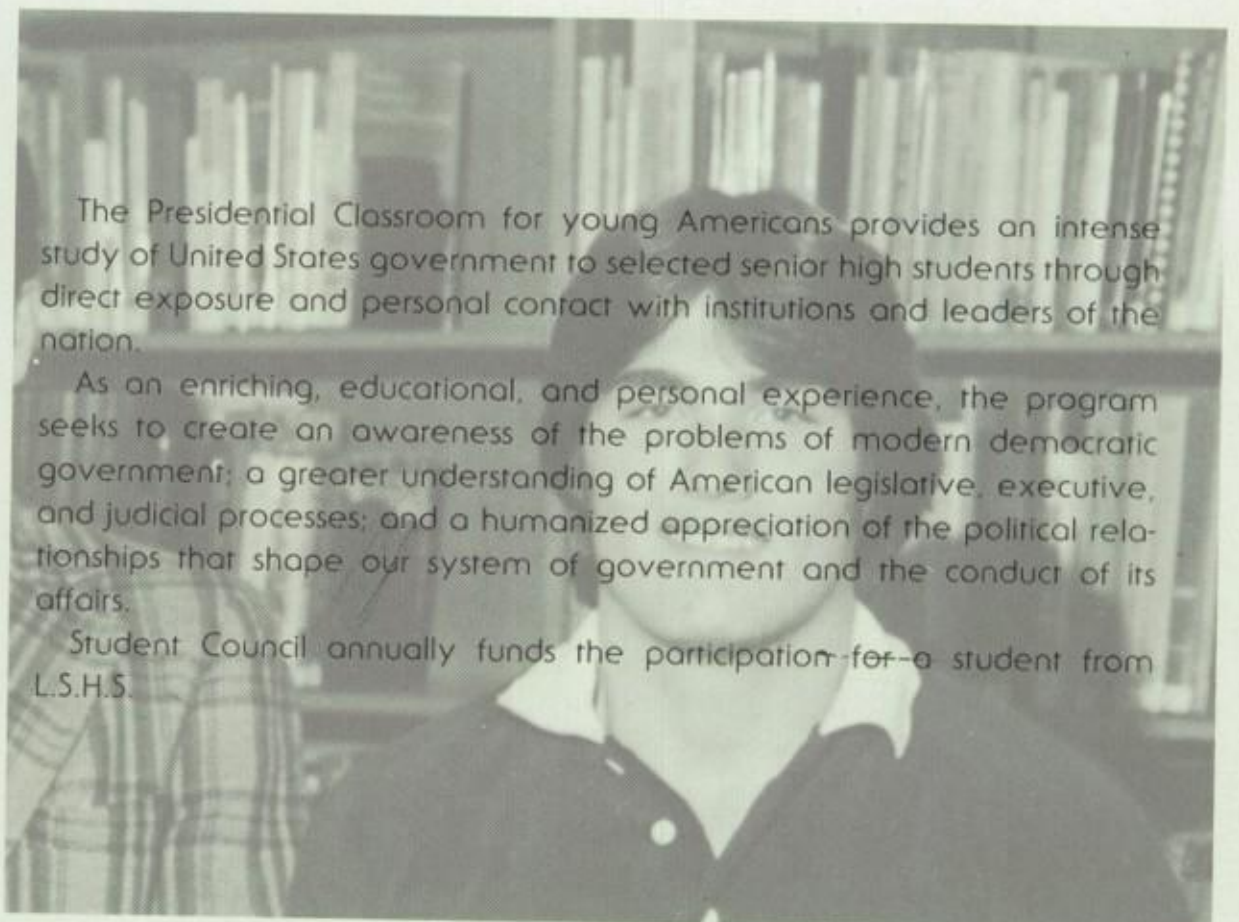

The program is administered through the Cooperative Extension of Niagara County and is funded by the Niagara County legislature, the Niagara County Youth Bureau, and Cornell University Community Development Funds.

Row 1: R. Franco. Row 2: M. Keleher, M. Buerger, Mr. May (adviser).

## PRESIDENTIAL CLASSROOM

Kevin O'Grady

The Presidential Classroom for young Americans provides an intense study of United States government to selected senior high students through direct exposure and personal contact with institutions and leaders of the nation.

As an enriching, educational, and personal experience, the program seeks to create an awareness of the problems of modern democratic government; a greater understanding of American legislative, executive, and judicial processes; and a humanized appreciation of the political relationships that shape our system of government and the conduct of its affairs.

Student Council annually funds the participation for a student from L.S.H.S.

# 1981 HOMECOMING

This year's Homecoming was a tremendous success! The theme was "Lion's Pride, Explorers Hide."

Spirit Week was filled with various activities on each day, including Grub Day, Twin Day, Swearsuit Day, Hat and Jersey Day, and Blue and Gold Day. At the closing of the week a pep assembly was held in order for the students to express their support for the Lions. The highlight of the pep assembly was the crowning of the Homecoming King and Queen — Greg Bronson and Karen Cookley.

The Car Parade took place after school on Friday, with a long line of floats and carloads of rowdy students cruising around the streets of Lockport. The Juniors captured first place for their float and also took first place honors in the hall-decoration contest.

Saturday afternoon, Lockport was victorious over LaSalle. The Homecoming festivities concluded that evening with the traditional Homecoming Dance sponsored by the Student Council. Entertainment was provided by the '97 Rock n' Roll Machine."

The 1981 Lockport Lions football team posted the best record in the history of LSHS, an 8-0 mark, and captured the Division III Championship. The Lions' success this year can be summed up in one phrase — TEAM EFFORT. Every member of the squad contributed a 100% effort to the success of the team. Individual stars were not the story for the Lions; the TEAM was the story!

The season began with an impressive win over non-league opponent Orchard Park. This was followed by a 29-6 victory over another non-league opponent, Williamsville-East.

The Lions then entered the Division III portion of their schedule, with the goal being a Division Championship and its reward of a trip to Rich Stadium. However, the Lions were dark horses to favorites Niagara-Wheatfield and Niagara Falls. The team looked good, but not dominant, in wins over Tonawanda and Grand Island. Then the offense began to roll and, in the last half of the season, they averaged 33 points a game, with impressive wins over LaSalle and Lew-Port.

Then came the tough games. Once beaten Niagara Falls visited Belknap field and went away a 36-6 loser, bringing about the "game of the season" — the championship game versus undefeated Niagara-Wheatfield. It was the game of the year — the most exciting, intense game every played by the Lions or witnessed by the Lockport fans. At the conclusion of the hard-fought contest against the courageous Falcons, the Lions left the field 25-21 victors, holding their heads high and proud with a Division III Championship and an unblemished regular season.

# CUBS SHOW EXCITING SEASON

The 1981 Junior Varsity football team finished with a league record of three wins and three losses, and an overall record of five wins and three losses. The strong point of this year's team was a stingy defense that allowed only four touchdowns to be scored on it all season. Linebackers Steve Kuntzman, Randy Butler, and Mike Strover were the backbone of this defense. The offense was led by Strover and quarterback Steve Secord.

## Varsity Boys Soccer-1981

The 1981 Varsity Soccer season marked the return of Coach Harvey Mattes and a winning season for the Lions. The Soccer Lions' last winning season was 1978, Coach Mattes' last year. The Lions posted a 9-7 season record, playing exciting soccer and scoring 39 goals, the third highest total in Lockport history. The Lions also won five straight games at one point in the season, the best skein in Lion Soccer history.

The Lions earned a sectional berth, but were defeated in the Semi-Finals of the Class AA by a score of 3-2 in double overtime. The team played hard, aggressive soccer all season and never gave less than 100% at any time.

Paul Montanaro, senior halfback, was a unanimous choice for 1st Team All-NFL. His ten goals tied him for second place in league scoring. Raul Morales, Mike Radecke and Scott Moreland were all selected to the 2nd Team NFL Squad.

Bob McDonough and Mike Radecke were Co-captains this year, while Morales was the leading scorer with nine goals and seven assists.

Paul Montanaro was voted M.V.P. by his teammates. Charles Peacock was recipient of the prestigious John Stockton Memorial Award.

# HARRIERS HAVE EXCELLENT SEASON

Row 1: D. DiMaggio, D. Hayden, T. James, W. Lederer, G. Murphy. Row 2: D. Lewandowski, R. Parenaude, D. Peifer, R. Franco.

The 1981 Boys' and Girls' Cross Country teams each experienced great success.

The Lockport girls grabbed the Lions' share of the team honors at area meets and went on to claim high-ranking at the state level. The Lionesses won championships at the Coventry, McQuaid, and Ken-Ton Invationals, took the Section VI title, and went on to place third in the New York State Intersectional meet at Malone. The Lionesses ended as the Number One team in Western New York and the Number Five team in New York State.

Overall, balance was the key for the Lockport girls, who often took turns at pacing the team efforts. Named to the All-NFL squad were freshmen Jackie Quirk and Chandra Miller, along with sophomore Julie Mullaney and junior Lynne Crofts. Junior captain Julie Watkins, junior Patty Peifer and senior Patty Stafford were second-team selections.

Mullaney went on to lead the girls' squad in state competition and was nominated for All-WNY honors. Quirk also received All-WNY nomination.

The boys' team was led by perhaps the top runner in Section VI, senior captain Doug Lewandowski. Lewandowski was unbeaten in NFL competition, captured several area invitational races, and became the Section VI champion.

As a team, the Lions gained the NFL championship, placed highly in the invationals, and took second place in the Section VI finals. Lockport ended the year as number four in Western New York.

Other harriers who contributed to the Lions' success were senior Dan DiMaggio, an all-NFL selection; senior co-captain Greg Murphy, second-team NFL; up-and-coming freshman Donald Peifer, second-team NFL; juniors Ray Parenaude and Todd James, and sophomore Dan Hayden.

Seniors who will be missed include co-captain Warren Lederer and Ron Franco.

# "ROUGH" YEAR FOR GOLF LIONS

The Varsity Golf Lions carded a record of 3 wins and 6 losses, but two of the losses were a result of an ineligible player. Despite the losing season, coach Jack Ioannone enjoyed working with the twelve dedicated young men who made up the 1981 squad. The Lions were paced by senior Peter "Monk" Craig, who placed second in the NFL match and earned a spot on the NFL Golf All-Star Team. Peter and Steve Dunnigan qualified for the sectionals in the spring of 1982.

**DAN HAMILTON  
ALL-AMERICAN**

Dan Hamilton is the only Lockport swimmer ever to be named an All-American in two events. He earned this title in both the 200 yard and 500 yard Freestyle events with times of 1:41.49 and 4:36.47, respectively. Not only is Dan a five-year varsity letterman, but he also has the distinction of being the only swimmer in the 22-year history of the New York State Intersectional Swimming Championships to qualify four consecutive years for the State Championships.

Dan progressed from an 8th grader with athletic ability to a national-caliber athlete with the potential of becoming a world champion and an Olympic medalist in the 1984 Games being held in Los Angeles. He is dedicated to the sport of swimming and puts a superhuman effort into each practice to progress towards the goals he has set for himself.

Dan is just starting to attain the self-confidence needed to be a true world-class athlete although the quality of his workouts attests to this fact. Unassuming by nature, he is the only person surprised by his success.

Dan is truly one of the greatest athletes to graduate from L.S.H.S. Lockport Senior High School is very proud of his accomplishments and would like to extend best wishes to Dan in all his future endeavors.

# HOCKEY LIONS HAVE OUTSTANDING SEASON

From an opening 10-3 win over Ken-West to a final 5-1 win over Tottenville to win the New York State High School Club Hockey Championship, the 1981-82 Lockport Club Hockey Lions had an exciting season.

Compiling an overall record of 34-3-7, the young (but experienced) squad finished first in the league and then went on to become State Champions after a first place finish at Orchard Park.

Undefeated in their first 14 games and occupying first place for the first half of the season, the Lions found themselves in a real struggle with Sweet Home. At the end of the regular season, Lockport and Sweet Home were tied and a special playoff game had to be held to determine the championship. Lockport took that game with a thrilling 1-0 win over the Panthers.

The Lions were coached by John Thurston, who completed his seventh season, and by Jim Geier, who finished his second season as assistant coach. In addition to an explosive offense that chalked up more than 250 goals, the team was led by the "Stringy Five" defense and excellent goaltending.

Three seniors were named to the League All-Star squad: Tim Leak, Mike Geier and Jon Creasey. Juniors Tom Dockery and Jeff Moran were nominated, but were unable to compete in the All-Star games since they were in Potsdam the same weekend playing in the State Midget Championships.

Row 1: Coach John Thurston, S. Gorman, J. Creasey, T. Berner, S. Domski, Assistant Coach Mr. Geier. Row 2: R. Steen, B. Devine, T. Dixon, S. Russell, T. Leak, R. Morello, M. Geier. Row 3: D. Russell, J. Moran, T. Dockery T. Budde, J. Moran, L. DeFazio, D. Howe. Missing: K. French.

The Girls' Varsity basketball team finished its regular season play in second place in the Niagara Frontier League, losing to Niagara-Wheatfield by two points in overtime. For the fourth straight year the Lady Lions were involved in post-season sectional play. Unfortunately, they missed the Sectional Championship by two points against Jamestown, once again in overtime. This season marked the second straight year the girls were unbeaten at home. A season standout, Kathy Mahar, established a new school record of 681 career points.

CONGRATULATIONS TO KATHY MAHAR FOR BEING SELECTED TO THE THE 1st TEAM ALL-NFL, KELLY CHASE AND MICHELLE BULMER FOR 2nd TEAM NOMINATIONS AND TO ANNE CONLEY FOR BEING CHOSEN AS AN HONORABLE MENTION CANDIDATE.

The Boys' Varsity Bowling team was the youngest in the school's history. Of the starting five bowlers, three were freshmen and one was a sophomore. The team was very competitive throughout the season, losing games only due to the lack of experience. Freshman James Dowd and Senior Captain Brian Kirsch qualified for the sectionals. Brian placed second in the Niagara Frontier League Invitational, and was the high average on this year's squad.

The Girls' Varsity squad came into this season without any returnees from last year's championship squad. The girls tried hard all season to learn bowling techniques that would allow them to become more competitive as the season progressed. After losing their first ten matches, the girls rebounded to win their last two matches, beating two very good squads — Niagara Falls and Ken-West. Teresa Morales, Patti Marotta and JoAnn Kolesar are graduating this year, but with junior Chris Stutz and 7th graders Andrea Litz and Julie Wagner, the girls can look forward to a much better season next winter.

The Lockport Varsity Softball team earned a 4-11 record for the '81 season. The Lions were hampered by inexperience at every position. The team was sparked by catcher Kelly Chase, who made the NFL Honorable Mention All-Star Team. Kelly ended the season batting .357 to lead the Lion offense. Darcy Demeter hit .352 for the year while steadying the defense at shortstop. Everyone will be returning to the '81 team with the exception of Captain Carolyn Johnston, an example of spirit and character that will be sorely missed.

# LOCKPORT '9' QUALIFY FOR SECTIONALS

## 1981 VARSITY BASEBALL

For the second consecutive season, the LSHS Varsity Baseball team compiled a winning record and qualified for post-season sectional play. This team effort was augmented by some outstanding individual accomplishments. For the second year, John Levy was selected Most Valuable Player. He compiled a 6-4 pitching record and a 16-5 career record. Junior Rich Kuntzman led the team offensively with a .375 average and 14 RBI's. He was followed by seniors Rick Pierce and Mike Trombitas. Following the season, Levy earned All-League honors.

Juniors Rich Kuntzman, Greg Bronson, Don Guay, Scott Moreland, Jim Pease and sophomores Dave Ames, Bill Oris and Mike Ritz provide an excellent nucleus for next year's team.

**VARSITY:** Row 1: E. Gibson, G. Berner, M. Keleher, C. McManus, J. Incardona, D. Hayden, D. Peifer, M. Sy, T. James. Row 2: M. Montalbo, M. Patterson, G. Murphy, D. DiMaggio, K. Ryan, R. It was a year of repeat performances for the Lockport boys and girls track squads.

The boys, perennial second-place finishers in the NFL, did it again — breezing past five straight NFL opponents and then falling flat in a season-ending match against league champ Niagara Falls.

The Lockport girls continued their impressive string of NFL successes, posting their fourth consecutive league title. Lockport has never lost an NFL meet, but the Lionesses have found much tougher competition outside NFL circles.

There were memorable performances for both teams throughout the cold and damp spring. The boys did especially well at invitational meets. Lockport was one of the top teams at the Western New York Classic and the top individual performance of the year was registered by junior Doug Lewandowski, who captured the 1500 event in a Section VI best time and also fared well in the 800. At the "Big E" Relay Carnival, the sprint medley quartet of Andy Sansone, Sam Daniels, Miles Patterson, and Lewandowski finished first.

Tolli was a season-long standout in the 400, chalking up an undefeated record in the NFL and posting one of the top times in Section VI. School records were set by: Lewandowski in the 1500 (4:01.6); the 400 relay of Sansone, Patterson, Tolli, and Daniels (44.1); and Daniels tied the school mark for the 100 dash (10.0).

LSHS records for the Lockport girls were registered by seniors Janice Barton and Lynn Ranney and sophomore Mary Jane Stoll. Barton raised the long jump mark to 17' while Ranney lowered the intermediate hurdle standard to 1:11.6. Stoll improved the 3000 record to 11:09. Perhaps the year's top effort for the girls, however, was by the 3200 quarter of Jackie Quirk, Julie Watkins, Julie Mullaney, and Stoll in the Section VI Qualifier. This very young foursome shattered the old school mark of 10:17 with a new standard of 9:56.3. NFL firsts were taken by Barton in the long jump, Ranney in the intermediate hurdles, Lisa DiPaolo in the discus, Michelle Bulmer in the shotput, Michelle Lewis in the 220, and Carol Gervaise in the walk.

Andy Sansone, Steve Perry, and Paul Bronson served as senior tri-captains for the boys. Robyn Miller, Lynn Ranney, and Janice Barton, were tri-captains for the girls.

## THE "MANE" EVENTS

# THREE PEP ASSEMBLIES AROUSE SCHOOL SPIRIT

# RICH STADIUM: A DREAM COME TRUE

It was the "thrill of a lifetime" for the LSHS Lions as they raced onto the Rich Stadium carpet in the early evening of November 14, 1981 to meet the undefeated Iroquois Chiefs in the Section VI playoff championships. To play in such a beautiful stadium before a crowd in excess of 11,000 became a memory that will never be forgotten by our team and coaches.

LSHS started slowly and fell behind 6-0 after one quarter of play. However, the offense exploded quickly in the second period on two touchdown passes by Greg Bronson — one to Anthony Ventura and one to Miles Patterson. Ron Morello added both extra points and the Lions went to the dressing room at halftime leading 14-6.

In the third quarter, the Lions began to dominate. The offensive line was consistently opening huge holes for the backs and the defense, led by Trait Smith, Tony Farina, Rich Kuntzman and Tom Fonzi, harassed the sputtering Iroquois offense into turnovers and mistakes. Anthony Ventura closed out the Lions' scoring with a two-yard burst early in the fourth quarter following a block of an Iroquois punt by Rich Kuntzman. Iroquois then added a meaningless safety to make the final score **LOCKPORT 21 — IROQUOIS 8**.

The final gun signaled the end of a tremendously successful and satisfying year for the LSHS team and left them basking in the glory and memories of an undefeated, championship season as they gathered at mid-field to receive their just rewards and plaudits of a proud and exuberant crowd of LSHS fans.

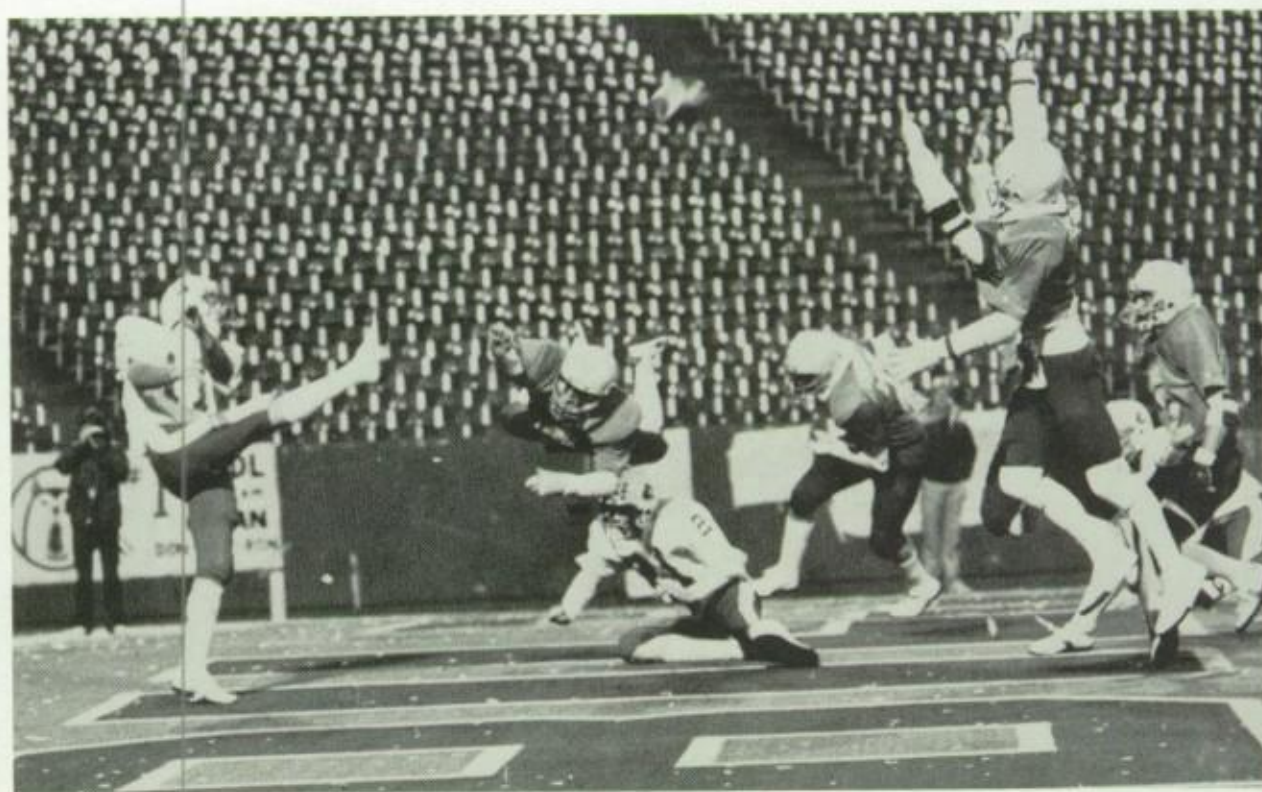

Coaches direct victorious Lions.

Anthony Ventura springs loose for another first down.

Lions celebrate another touchdown by Anthony Ventura.

A strong defense puts pressure on the Iroquois punter.

**LSHS 21 — IROQUOIS 8  
SECTION VI  
DIVISION III  
CHAMPIONS**

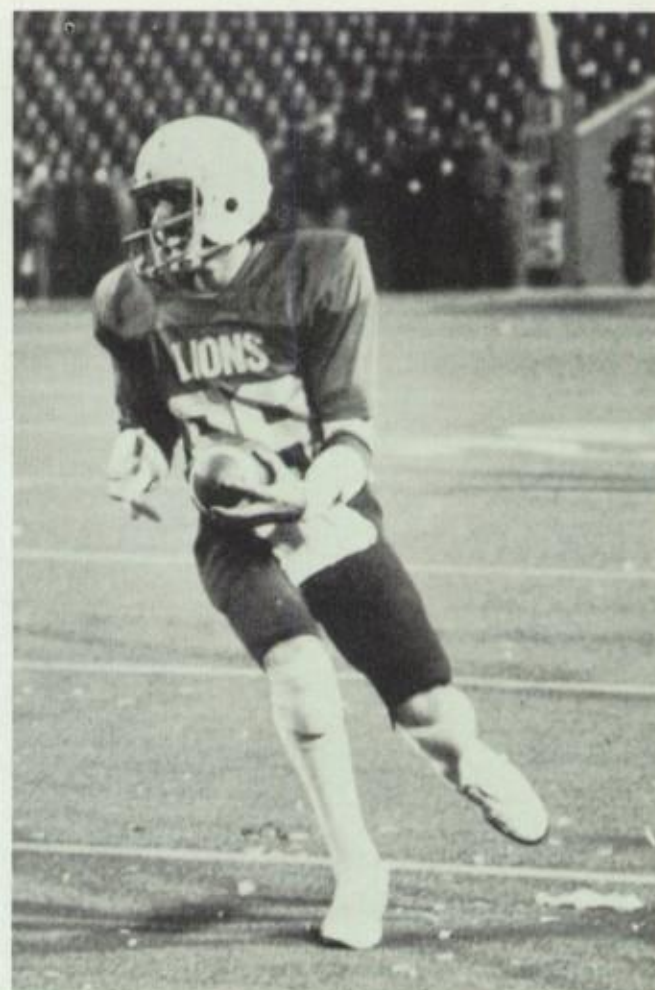

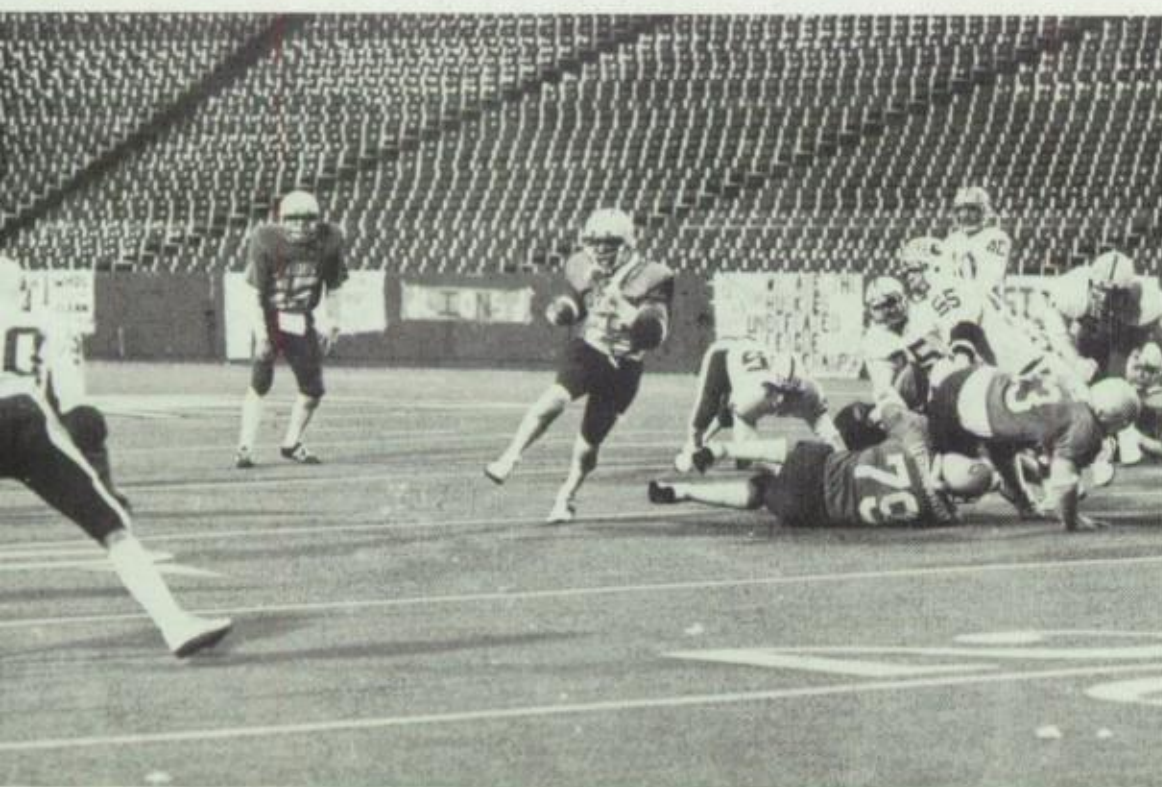

Coach Casler confers with quarterback Greg Bronson.

Tony Farina pressures the Iroquois quarterback.

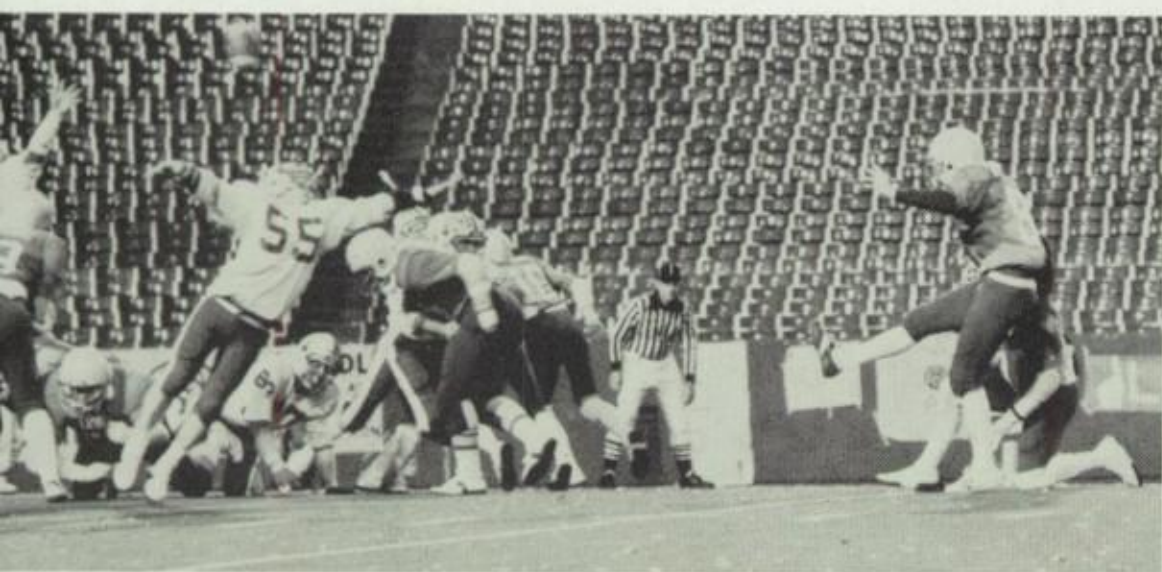

Tim Tolli makes "reverse play" productive.

Miles Patterson is on the move once again as Dan Lewandowski and Jim Owens clear the way.

A deserving championship trophy was presented to captains Tolli, LaMont, Owens and Bronson. A proud moment!

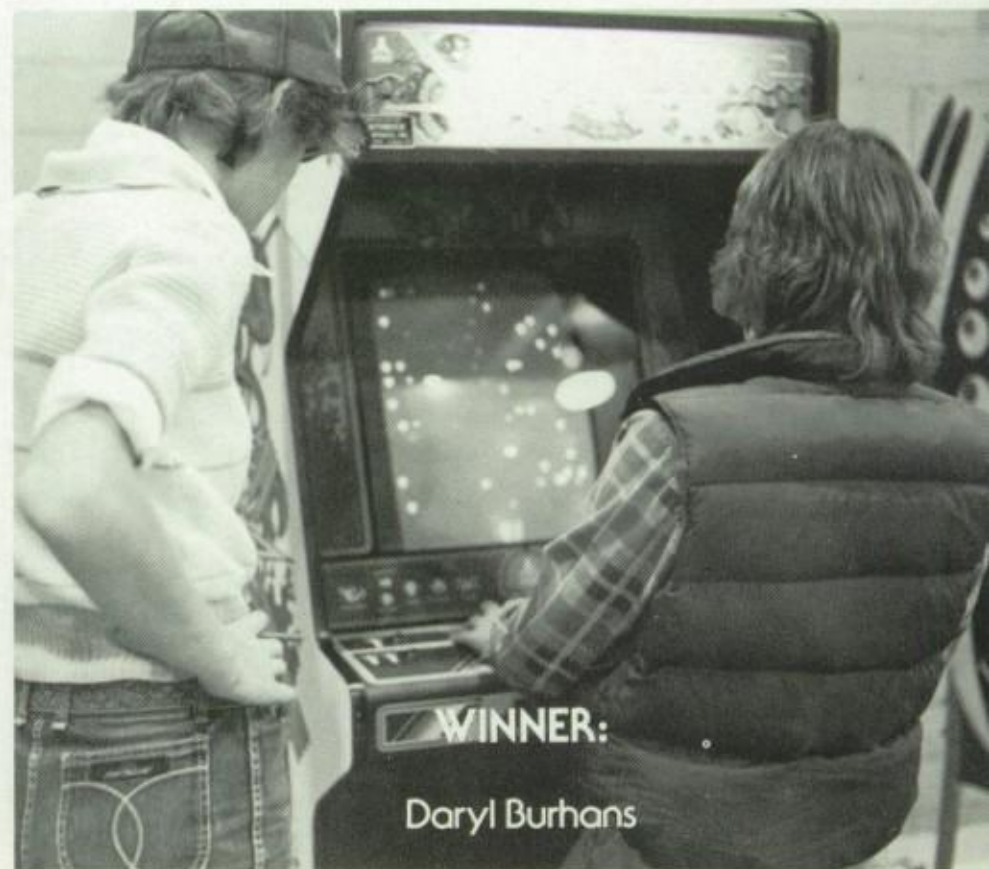

Another extra point clears the uprights off the toe of Ron Morello.

A proud and happy cheering squad!

## HOLLY HOP IS A "WINTER PARADISE"

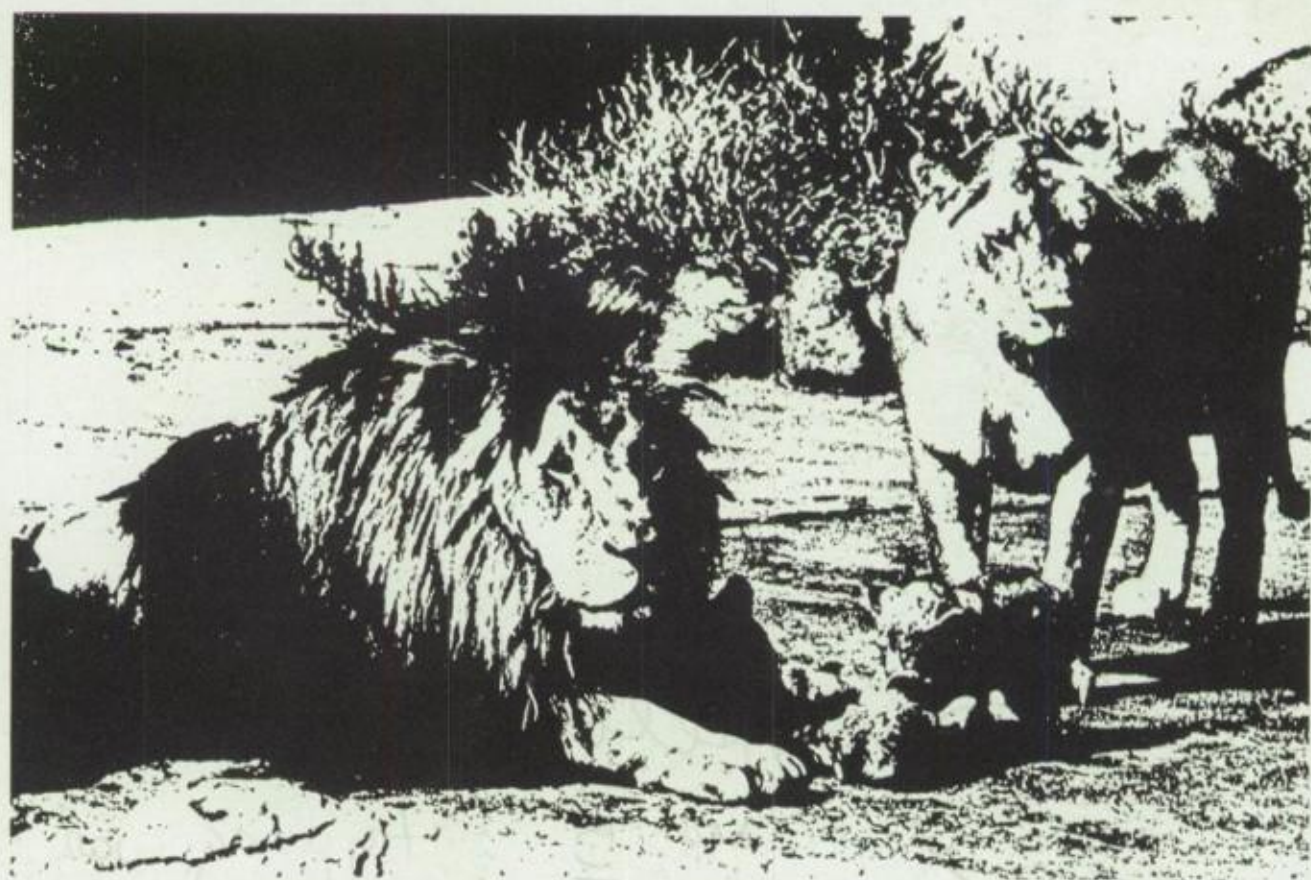

As guests arrived at the "Winter Paradise," they were greeted by a lighted marquee which stated the theme of the dance. Upon entering the picturesque winter scene, each couple had to cross a bridge festively decorated with holly and mistletoe. The gymnasium was warm with a holiday spirit soon possessed by all who entered. The colors of the dance were red and white, and everything from Santa Claus to candy canes was included in the decor. Trees, glitter, lights, and angels all added to the beautiful winter paradise.

The band, whose music kept everyone dancing, was Rotary Bed. From hard rock to slow, mellow music, this group enticed everyone who listened.

Although lights, decorations and music set the atmosphere for this dance, the togetherness and Christmas spirit made it a real "Winter Paradise" to remember.

## IN LOVING MEMORY OF

**Thomas A. Vona**

*DeSales Catholic High School  
January 23, 1965 — October 4, 1981*

We, the Forum Staff of 1981-82, hope that in the years to come each of you will look back with pleasure to your high school years.

As you turn the pages of this yearbook, may you be reminded of the years you've spent at L.S.H.S. We hope that you will recall the good times, sad times, and all the memorable events which have made up this school year. To the Seniors at this time, we wish for you only the most pleasant memories of your Senior Prom and your Graduation.

We hope that we have succeeded in our endeavor to present the best Forum ever to you, the students of Lockport Senior High School. Our only regret, due to early deadlines, is that we were unable to present more to you on the winter sports events.

Many thanks are extended to our advisors, Mr. DiMaggio, Mr. Bertino, Mr. Gustafson and Miss Wolter, for their guidance and patience throughout the designing of this annual. We would also like to thank Mr. McIntyre, our staff photographers, and Mr. Gerstung for all the fine pictures they provided for us; without their help it would not have been possible to publish this yearbook.

With the sincere wish that each of you will find among these pages something special — something you will remember for a long, long time — we give you the **1982 Forum!**

**BEST OF LUCK TO ALL THE GRADUATING SENIORS!**

May you look back at this book in the years to come and remember all the great times you've shared as  
**The Class of 1982!**

# The Varden Portrait

For some people, a diploma is not enough.

Some people feel that there should be more to graduation. More than just a diploma. A timeless commemorative of your graduation is the Varden portrait.

Your Varden portrait will speak with distinction. For over 30 years, the name Varden has meant the ultimate in portraiture. When you graduate, don't settle for less.

*Is this the end of our story?*

Not quite. These pages represent only a fraction of what has taken place thus far.

Through the guidance of our teachers,  
through our hard work and preparation, and  
through the many friendships that we have made,  
our story will continue to grow for a long time to come.
